SPECIAL RATES-
ASKED FOR RALLY

Commercial Club Expects a Big Crowd Friday.

The Executive Committee Meets This Evening to Perfect Plans for Parade.

FLOATS ARE NOW BEING BUILT

The executive committee of the commercial club will meet tonight for the purpose of appointing committees to have charge of the parade in which the funeral of The Knocker will be a feature, on the afternoon of March 24.

The committees will confer with committees from the different unions and interest them in entering the parade, the club desiring that every union turn out and participate in the parade. The floats to be used in the procession are in charge of Mr. Charlie George, the sign painter, and he is preparing them as fast as possible.

At the banquet many hundred cigars will be given away and in order to distribute them thoroughly and discriminately, Mr. Charlie Brown of the firm of Brown & Shelton, has been selected to take charge of the cigars. Every smoker will be supplied with plenty of cigars at The Kentucky on the night of the rally and the affair will be one of the biggest in the history of the city.

The club has asked the I. C. for special rates into Paducah on the day of the rally that merchants and others in other towns may come here and attend the rally. The rally is not for Paducah people alone but every one is invited, this means being adopted to get Paducah and her progressive business men before the general public.

One of the busiest men of the club is Col. Ben Weille and besides his work as a member of the membership committee, he is arranging for the subcommittee meetings and although his hands are pretty full, is always willing and finds time to give out to

the press all the news relating to the club and its work.

The reception committee is as follows:
 A. J. Decker, chairman; Earl Palmer, John Keiler, H. C. Rhodes, L. S. DuBois, Sol Dreyfuss, Sam Levy, John Rinkoff, S. A. Fowler, Geo. C. Wallace, W. F. Morris, Chas. Reed, Jno. J. Donovan and W. J. Hills.

The line of March has been practically decided on. It will start from the city hall, go out to Ninth street, north on Ninth to Broadway, and down Broadway to the river. The Knocker will then be dumped into the river and floated away.

Capt. William Kraus will be grand marshal of the parade.

PAINFUL INJURY

MR. HENRY ARENZ HURT BY AUTOMOBILE CRANK.

It Struck Him in the Mouth and Knocked Out Two of His Teeth.

Mr. Henry Arenz, the well-known commission stock broker, met with a peculiar and painful accident yesterday afternoon about 3 o'clock in Mechanicsburg, while out with his automobile.

He was riding with Attorney Tom Harrison and stopped to let several ladies and children pass. His machine refused to start again and he got out to examine. He placed the crank used in starting the sparker, in place, and gave it a turn or two, but with no satisfactory results.

He then peered under the body of the machine and the engine suddenly started, throwing the crank out of place and striking Mr. Arenz in the mouth.

Two teeth were knocked out and Mr. Arenz's lips were badly cut. He came to the city and the injury was dressed by Dr. R. E. Hearne, at the Brook Hill building.

SMALL BLAZE.

Two Departments Called Out Twice Today.

Central and No. 4 fire departments were called out twice this morning within half an hour in answer to two alarms from the North Side.

The first alarm was from Fifth and Harrison streets at 8:30. The residence of Mr. Will Utterback, at Madison and Fifth streets was afire on the roof, the blaze originating from a spark from the chimney. No damage was done other than the burning of several shingles.

The second alarm came at 8:45 o'clock from Seventh and Harrison, where a small blaze in the roof of Mr. David Flournoy's home was discovered. This, too, started from a spark from the chimney. No damage was done.

SUDDEN DEATH

MRS. D. T. STUART DIED SUNDAY OF COMPLICATIONS.

Had Been in Ill Health For Several Months—Burial at Roanoke, Virginia.

Mrs. David Todd Stuart, wife of the well known physician, died suddenly at her home in the Sebree Flats, on Madison street near Sixth street, Sunday morning at 3:15 o'clock from complications.

The deceased was 23 years of age and lived in Roanoke, Va., previous to her marriage to Dr. Stuart last July. She had been in bad health for several months, having been ill a few months ago of pneumonia. Two weeks ago she was taken ill of appendicitis and Saturday a week ago was in a precarious condition and not expected to live. She recovered and Saturday night had improved so greatly that her nurse was dismissed. Sunday morning Mrs. Stuart awoke her husband by a violent vomiting fit, and immediately following came a fainting spell. Dr. Stuart ran for a heart stimulant and on returning, found his wife dead.

The deceased's maiden name was Miss Nellie Kirk, and she leaves a father, brother and sister besides her husband. Her father is a prominent physician in Roanoke, where Mrs. Stuart was a popular society belle prior to her marriage. Dr. Kirk was ill at the time of the serious attack of appendicitis of his daughter, and was unable to come here to attend her. Later on improvement came and he decided not to come, and none of her relatives was present at the time of death.

The body was embalmed Sunday morning and at 2:30 o'clock p. m. was shipped over the N. C. & St. L. road to Roanoke, Va., for interment.

Mrs. Stuart was a popular woman, a devout church member and beloved by all who knew her. She gained numberless friends during her short residence here and all will regret to learn of her death.

On account of the sudden death it was decided to hold an autopsy and

Drs. R. E. Hearne, H. P. Sights, assisted by Drs. J. G. Brooks, H. H. Duley and B. B. Griffith performed it at 11 o'clock Sunday morning.

It was found that the immediate cause of death was a rupture of internal organs from the vomiting, superinduced by stomach trouble and complications.

Rev. W. E. Cave conducted funeral services at the house at 12:30 yesterday, before the remains were taken away.

THE RIGHT THING

SAYS PROF. MARK OF SUPT. LEIB'S RE-ELECTION IN PADUCAH.

Says It is a Just Recognition of Our Superintendent's Ability as an Educator.

The recent re-election of Prof. C. M. Leib as superintendent of the public schools in Paducah has given general satisfaction among the educators who take an interest in such matters, and as an evidence of how Prof. Leib is regarded among the best educators of the country, the following letter from Supt. E. H. Mark, of the Louisville public schools, one of the most prominent educators in the country is published:

Louisville, Ky., Mar. 14, 1905.
 Mr. F. M. Fisher, Editor Paducah Sun, Paducah, Ky.

Dear Mr. Fisher:

I have just received a copy of the Paducah Sun containing the proceedings at the last meeting of your school board. I see that you have elected Mr. Leib for another year and increased his salary. You are doing an excellent work for the children of Paducah and incidentally for the people of the state in retaining such a man as Leib. Your recognition of his worth as a public school man by increasing his salary is a just tribute to him and to the people of Paducah. Allow me to congratulate you upon the good work you are doing.

Very truly,
 E. H. MARK,
 Supt. Public Schools.

FIRST GAME.

Ball Players Enjoy a Lively Contest at the Park.

The first baseball game of the season played in Paducah was at Wallace park yesterday afternoon before a few spectators. The Famous, the I. C. machinists' team, and the Professionals played, the game resulting in a victory for the Professionals by a score of 6 to 1.

Platt and Land started off the battery work for the Professionals and Hedges and Pettit for the Famous. Later in the game Dicke went in to pitch for the Professionals and Jack Kenney caught one inning for the same team. Hedges made way for Baricman who pitched the game out for the Famous.

The game was featureless except that Platt had eleven men face him and struck out nine, and only two real hits were made off any pitchers, Lloyd and Wathan getting hits, the former a two-bagger.

The line-up of the teams was as follows: Professionals—Land, c;

Platt, p; Wathan, 1b; Murray, 2b; Gerard, 3b; Kenney, ss; Lloyd, lf; Freeman, cf; Dick Brahle, rf.

Famous—Pettit, c; Hedges, p; Charles Sands, 1b; Baricman, 2b; Arthur Davis, 3b; Guy Randle, ss; Bowman, lf; R. Robertson, cf; L. Mix, rf.

The Order Expected Soon.

The report that the Chicago and St. Louis sleepers which are started out of Cairo now, would be put on at Paducah instead of Cairo beginning yesterday, proved erroneous as the sleepers did not show up. The report that they will be put on, however, is well founded and it is a matter of but a short time before the order will come.
